

MASTER ERASMUS MUNDUS CIMET
Color in Informatics and MEdia Technology

SCHOLAR APPLICATION HELPSHEET

CIMET Erasmus Mundus Fellowships for Non-EU Scholars (PhD. Level Min) participating to the activities of the Master CIMET for up to 3 months.

The CIMET consortium is also able to host academics specialized in the fields of optics, colour, image and media technology. Scholars (PhD minimum) will be expected to contribute to the teaching of one compulsory course or one optional specialization course, under the direction of a permanent teacher at the host institution.

Scholar fellowship: from 2400€ for a two-week stay to a maximum of 14,400 for a 3-month stay in any of our four consortium Universities.

Compulsory online procedure
